CHRONO

MEMORANDUM FOR THE RECORD

SUBJECT: Possible Contra Threat to U.S. Nuns in Nicaragua

25X1

1. Previous MFRs from [redacted] (OLL 84-4195, 4348 and 4409 of 16 and 20 November) recount the substance of calls from the offices of the Speaker of the House, of Congressman Richard Ottinger and of Senator Moynihan.

2. Since the responsible agency is the Department of State and to ensure that State was in fact aware of the situation and of Congressional concerns, I called Bob Turner in State's legislative liaison office on 21 November.

3. Bob subsequently called back, noting that he had informed State/ARA of the threat; ARA acknowledged being "formally on notice."
